From the Desk of : Father Samuel Martin

Praised be Jesus Christ! This weekend Saint John's will be rolling out their Mother Streitler Center project. They're finishing the church basement and it will contain classroom space, the Saint John Paul II Adoration chapel, and a bathroom. I'll let you know when it's done so that you can sign up for a weekly hour of Adoration (some of you are already doing this). The projects around Christ the King are basically already done for the year, which is a reason to rejoice. As you know, we did some work on our perennial water issues last fall on the East side of the church. And while it was a significant improvement, we still had some water in the basement as the frost went out. My parents' home is similar – sometimes it's as if the building sits on a spring that is irrepressible. Moving right along, two months ago we replaced all of the church siding. In the process we also did a thorough job of insulating both the walls and the attic – much to the dismay of a bat who decided to attend the 4:00 p.m. Mass one Saturday back in April! This winter the difference will be noticeable, especially for those who are members of the choir. And speaking of the choir, we are at a point in our parish history when the biggest challenges will be to replenish the ranks of parishioners who are actively involved. Some of you sing very well and the Holy Spirit might inspire you to come up and help lead the singing. Others could help us with being a reader (Lector) or an Extraordinary Minister of Holy Communion. If you see a need, please do not be bashful: let me or Deacon Jeff know and we'll sign you up (you can also call the parish office). Back to parish improvements: we now have a big screen TV in the basement for all of the Packer games this fall. I'm just kidding; by this point in the article I wonder how many people are still reading The TV is for overflow crowds, such as Christmas, Easter, big funerals, and once in a while the 4:00 p.m. Mass (when 75% of Loyal's population is present). We've been in violation of our fire code at times and this will allow us to send the latecomers to the basement where they can watch and see the Mass just fine. We'll send someone down with Jesus for Communion too. We also updated our parish sign and it's both noble and easy to read. As far as future projects, the pews are aging rapidly and we have a plan for replacing them when the time comes. Moreover, our sound system is still working pretty well, but when it dies we have a plan in place to replace it. Thanks to some observant parishioners and an exceptional parish staff, the church and grounds are among the most beautiful in the whole diocese. Before I close, I'd like to remind you to welcome and pray for the Sisters who will be coming to lead our summer school from June 11-15th. Many of our young people have never seen a Sister in a religious habit and this will be a real gift for us. The Sisters come to us from Ann Arbor, Michigan and are members of the Dominican order (i.e. formed by Saint Dominic in the 13th century). Because this is our first time hosting the Sisters, we'll need your prayers so that all will go smoothly. We are planning an evening when you'll be invited to come and meet the Sisters in person. When I was a kid we had Sisters come every summer to teach us our faith and they did a wonderful job of inspiring us and allowing us to have some fun too. Of course, part of it was just the joy of getting off the farm for a few days – have I ever mentioned how difficult my upbringing was?! Okay, thus ends this "state of the parish" update. Thanks for tuning in. May God help us to build our faith on the rock of His Son's sacrifice, so that we will love Him in the Mass!

Your friend in Christ, Father Martin

Mission Statement

As members of God's family, Christ the King Parish will always be a welcoming community that comforts, shares its Catholic faith, and inspires others.

Sacraments

Baptism.. Expectant parents are to participate in the Baptism preparation program offered in February, June and October. The Baptisms are then scheduled for the second and fourth Sundays of the month, after the 10:00 a.m. Mass

Marriage.. Arrangements must be made at least six months in advance by contacting the parish pastor.

Anointing of the Sick.. (which was known as Extreme Unction or Last Rites) has taken a different connotation since The Second Vatican Council. The sacrament is celebrated not only for those who are dying, but to those preparing for major surgery, the aged, and the sick. It is time for the Church to pray for and with those who are ill and anoint them with oil. The proper celebrant of this sacrament is a priest. Those who desire to receive this sacrament are to contact Fr. Martin, in advance.

Penance . . . Sacrament of Reconciliation

ANNOUNCEMENTS

Mass attire: It's that time of the year when people ask me to address immodesty at Mass. This is a sensitive topic because people's tastes are all over the board. One easy question is to ask yourself when dressing for Mass, "*Who am I dressing up for? For God or for other people?*" Any time we dress to draw people's attention to ourselves, we're giving our relentless ego a green light. If we love God, we'll do our best for Him, including dressing nicely for the times we worship Him. If we love ourselves inordinately, we'll dress in ways that make us the center of attention. So, when you come to Mass this summer, ask yourself, "*Is what I am wearing leading people to God or to me ?*"
