Safe Environment:

The Diocese of La Crosse and our parish has made every effort to protect our children. Classroom training is scheduled for **October 5, 2022**. If you would like to opt-out for your child, please complete the form available at registration. More information about this program can be found at: <http://www.dioceseoflacrosse.com/Safe-Environment>

GUIDELINES FOR PARKING, DROPPING OFF AND PICKING UP STUDENTS:

The road between the Seton Center and Church (Wendell Street) will be blocked off when classes are in session. Drop off and pick up, of your child(ren), will be from the Seton Center parking lot.

Arrival/Before class expectations:

- 1) Since our catechists deserve time to prepare, students are not allowed in the classrooms early. Classroom doors will be opened the catechist.
- 2) Students arriving prior to 6:25pm may wait in the hall until their classroom is open.

After class expectations: When classes are finished, students in grades 4, and older will be dismissed by their teacher. To ensure the safety of our youngest students, those in grades 1, 2, and 3 must be picked up from their classroom. The person picking them up may be a parent or an older sibling or an adult they are carpooling with. If a child in grades 1, 2 or 3 is picked up by an older sibling and is then left unattended, we will require that only an adult picks up the child, parents please stress to older siblings what their responsibility is.

DISCIPLINE POLICY **Christ the King Parish** *last reviewed September 2020*

Appropriate behavior helps to ensure the safety of our children and of those around them. This policy is designed to provide guidance so our students can maximize their learning efforts.

1. Rude, disruptive behavior will not be tolerated in class. If this happens, the student will be sent to the office because this type of behavior is contrary to Christian values, basic respect and common courtesy to those in class.
 - a. First Offense: Student is treated as absent from class and will have a homework assignment to complete to cover the material from class. Parents will be called.
 - b. Subsequent Offense(s): A meeting will be scheduled with Father, the parent, and the DRE to work out the on-going educational plan for the student which may include permanent removal from class.

ATTENDANCE POLICY
Christ the King Parish
last revised September 2020

Attendance is critical to learning. This policy is designed to provide guidance so our students can maximize their learning efforts.

1. Under normal circumstances, attendance and participation in all classes and activities as outlined by Father, the catechists, the Education Committee and the Diocese of La Crosse is the norm for all students.
 - a. To receive the sacraments of First Reconciliation and First Communion, it is expected that the student attend all of the preparation classes that are provided in both the first and second grade.
 - b. To receive the sacrament of Confirmation, it is expected that the student attend all of the preparation classes that are provided in all classes prior to and including the Confirmation year. Students also need to complete the Confirmation program.
2. Missed class: If a student misses a class, they (their parents) are responsible for what was missed. If there is a prolonged absence due to special circumstances, parents may work with the DRE to develop an educational plan. Information missed due to absence may be part of the Faith Facts test which is the responsibility of the student/parent.
3. Students ordinarily will be placed in the same grade they attend in the public school. Students will need to demonstrate their understanding of the faith facts for their class in order to advance to the next class. These faith facts are handed out during the year, are online and are available upon request.
4. We highly encourage pre-school, kindergarten and high school students to take advantage of Sunday school and Youth Group.
5. See the Cancellation Policy regarding inclement weather.
6. Mass attendance is expected.

PARENTAL INVOLVEMENT: You are the most important teacher in your child's life! Our class time is very limited and your help, especially with learning prayers, is essential to your child's spiritual growth.

- Practice prayers with your child.
- Ask your child what they learned each week.
- Attend Mass on Sunday.
- Check for materials sent home with your child/check their folders.

Stay active in your faith and your child will too! May God Bless your family!

FAITH FACTS

Each grade level has a set of criteria that must be mastered in order for the students to advance to the next grade level. As with any learning process, previous concepts should become well known. For example, the Sign of the Cross is mastered in first grade and therefore students should be able to demonstrate it in 5th grade. FAITH FACTS have two areas that are tested on.

Prayer: Each grade has a set of prayers to learn or review. Since we are so limited in time each week, prayers will need to be practiced at home. Prayer testing is due before Christmas. Prayers may be found on the parish website.

Study Guide per class: The main textbook series that we use is Faith and Life and it is an excellent program by Ignatius Press. Students will need to be able to demonstrate understanding of the main ideas of the text. This should be easily accomplished by attending classes. Study guides are provided each year with much repetition between years. The end of year test is NOT a detailed final exam but rather a general knowledge assessment. Students should have learned much more than the basics from the study guide.
